CAUTION
• Do not expose the product to fire as it may cause the battery to ignite, resulting in potentially dangerous situations.
• Do not expose the product to water as it may damage the product.
• Do not expose the product to temperatures may exceed 60°C, because it may deform or damage the product.
• Do not open or modify the battery or use it for purposes other than intended.
• Do not use as a ball for hitting or throwing, as it may cause irreversible damage.
• Frequently operating or controlling multiple devices may cause data congestion, making the app slow or unresponsive. If this happens, try to turn off some of the devices.
• When the Bluetooth device uses functions such as cloud timing, delay, automatic scene setting, voice platform control or remote network control, it needs to connect to the internet to perform the work normally.
• When the light is turned off, the battery indicator app will show red, they will be corrected one by one. If a product hasn't been connected within 3 minutes, the pairing will fail. It is recommended that the number of devices that are connected at the same time should be less than 5.
• The light adopts PWM technology. Please keep it away from radios to avoid causing interference.

• Do not use a charging port that has been short-circuited by metal or debris.

04

Im ausgeschalteten Zustand wechselt die Lampe nach einer Dauer von 30 Minuten automatisch in den Schlaflammodus. In diesem Modus kann die Lampe über die App gesteuert werden. Um das Aussehen des Schlaflammodus zu ändern, ist eine Änderung oder Neustart des Sperrmodus erforderlich.

2.1 Ladevorgang, siehe Abbildung 10.

2.2 Zur Schnellstartzeit heraufsetzen, siehe Abbildung 11.

2.3 App-Verbindungsaufbau, siehe Abbildung 12.

2.4 Änderungen und Anpassungen oder ohne Registrierung und Anmeldung fortsetzen, siehe Abbildung 13.

2.5 Einstellung des Pairing, siehe Abbildung 14.

Bei eingeschalteter Lampe drücken Sie die Schalter drei oder mehr Mal hintereinander, bis der Lampenlicht blau blinkt und dann schaltet sich die Lampe auf.
